<p><u>Time commitment</u> How much time do you have to allocate to mentoring each week?</p> 	

Experiences Sharing/Collaborating in Your Classroom

How have you shared your classroom with other teachers/colleagues? What would you do if a teacher candidate wanted to teach a lesson that may not match your approach?

Challenging Situations

Describe a time you encountered a challenging professional situation when mentoring a peer or colleague. What did you learn? What were your strengths? What would you do differently?

Work Style

What type of person do you work best with?

Internship Experience

Describe your internship experiences. How do these inform your mentoring?
